# HINDSON MARINA

Hindson Marina is the largest independently-owned marina in Georgian Bay. We have over 35 years of experience offering dockage for 480+ boats. Nestled in the south west corner of Penetanguishene Harbour, protected from prevailing winds.

Only 90 minutes north of Toronto, in the town of Penetanguishene, we are surrounded by the waters of Georgian Bay, a boater's paradise with the best fresh water boating in the world. You are steps away from 30,000 Islands, the Trent Severn Waterway and the amazing North Channel. Spend the season exploring the many spectacular sheltered anchorages.
